Relocating to Orlando, Florida — December 2026

706-207-5123 | luzgresham@gmail.com | LuzDavila.com

Native Spanish | Conversational English

PROFESSIONAL PROFILE

University-educated nursing professional with four years of urgent care experience at Clínica Chicamocha S.A. in Bucaramanga, Colombia, plus triage-clinic experience at ESPCO Regional Clinic of Bucaramanga DESAN (Santander).

Experienced in administering medications, monitoring patients, assisting physicians, documenting care, and communicating with patients and families during demanding clinical shifts.

Brings a compassionate, service-oriented approach to premium patient relations and personalized family care. Passed the NCLEX-RN examination and completed the 40-hour Registered Behavior Technician (RBT) training course; certification examination not yet taken.

PROFESSIONAL CLINICAL EXPERIENCE

URGENT CARE NURSE | Clínica Chicamocha S.A.

Bucaramanga, Colombia | 2015–2019

- Provided hands-on nursing care during 12-hour overnight shifts, caring for approximately 12–13 patients per shift.
- Administered prescribed medications and monitored vital signs and changes in patient conditions.
- Assisted physicians with procedures and performed wound care and injections within nursing responsibilities.
- Documented care and maintained medical records to support communication and continuity of treatment.

> Current U.S. opportunities: nonclinical only. TOEFL not yet taken; plans to take it in the near future. Not currently able to practice as an RN. Past clinical experience was in Colombia.

URGENT CARE EXPERIENCE — CONTINUED

- Communicated with patients and families, offering clear explanations and reassurance during stressful situations.
- Coordinated with physicians and nursing colleagues to prioritize patient needs in a fast-paced clinical environment.
- Maintained a calm, patient-focused approach under pressure and built positive relationships with patients.

ADDITIONAL TRIAGE EXPERIENCE

TRIAGE CLINIC | ESPCO Regional Clinic of Bucaramanga DESAN (Santander)

Bucaramanga, Colombia | 2017–2018

Worked in a triage-clinic setting, adding to her experience in busy patient-care environments.

PROFESSIONAL STRENGTHS

- **Patient-centered communication:** Native Spanish speaker experienced in speaking with patients and families in clinical settings.
- **Clinical awareness:** Background in patient monitoring, medications, medical records, and supporting physicians.
- **Composure under pressure:** Experience managing competing care needs on demanding overnight shifts.
- **Team collaboration:** Worked alongside physicians and nursing colleagues to support patient care.
- **Compassionate service:** Known for warmth and attention to the needs of patients.

LANGUAGES & CONTINUED LEARNING

Spanish: Native proficiency.

English: Conversational proficiency. Has pursued formal English studies for two years and continues attending classes.

EDUCATION & CREDENTIALS

University Nursing Degree
Universidad Autónoma de Bucaramanga (UNAB), Colombia
Awarded December 12, 2014

NCLEX-RN
Passed the U.S. nursing licensure examination.

Montana Registered Nurse License
Documented expiration: December 31, 2026.
Current standing must be verified with the licensing authority.

HOW THIS EXPERIENCE CAN SERVE EMPLOYERS & FAMILIES

Cosmetic Surgery & VIP Patient Relations
Interested in premium, patient-facing positions where clinical understanding, attentive communication, and native Spanish fluency can support a welcoming patient experience.

Premium Private Family Care
Interested in personalized, live-out household care opportunities where families value healthcare experience, warmth, professionalism, and individualized attention.

Behavioral Support
Completed foundational RBT training and interested in opportunities appropriate to her current qualifications and applicable supervision requirements. Does not claim previous ABA employment.

LOCATION & INTERVIEW AVAILABILITY

Has lived in Athens, Georgia, for the past seven years and plans to relocate to the Orlando, Florida area in December 2026. Available for virtual interviews before relocating.

Luz has not yet taken the TOEFL English examination and plans to take it in the near future. She cannot currently practice as an RN. Her documented license is a Montana single-state RN license; it does not establish Florida nursing authorization. She is currently seeking nonclinical roles within her qualifications, not clinical RN duties.
Completion of 40-hour RBT training is not RBT certification.
